

Thai Visa Lawyers

Contributed by Administrator

Finding a reputable and cost effective attorney in Thailand is easy as there are so few reputable law firms with cost effect solutions to boot. We at Siam Legal have over the years strived to not only provide our clients such as yourself with cost effect legal solutions but each year we also process more than 900 Thai Visa applications online on behalf of clients. Speak to any of our online consultants or pop into any of our offices in any of the main tourist destinations in Thailand. Our law firm specializes in Real Estate transactions (Thailand property purchase, leasehold, condominium, villas, project development & licensing), Immigration (Thai Immigration, Citizenship, Permanent Residence, and Thai Business, Marriage and Retirement Visa applications), Tax and Accounting service, Litigation Services (Civil, Commercial and Criminal) and Investigation Services (Personal and Corporate). Our UK and US Immigration specialists supervise and handle our Visa services. On the other hand, our licensed Thai lawyers and foreign attorneys and solicitors work together to offer sound legal advice and assistance with regard to Corporate & Investment Laws (including Foreign Business Law, Board of Investment & B.O.I, and Treaty of Amity).
